## ANOTHER SERVICE OF SMPTE

Several of the technical papers presented at the SMPTE 100th Technical Conference are now available in the form of individual Preprints.

These Preprints are black and white photographically reproduced copies of the actual manuscripts as submitted by the Authors. All are of uniform 11 x 8½ size.

Only a limited number of each are available; therefore, we recommend you order your copies at once.

Select the Preprints you desire and check off the corresponding Preprint number on the Order Form. Mail Form and your remittance to:
